

Sandon Neighbourhood Development Plan - Meeting of steering group

Via Zoom Tuesday 4th August 2020 5pm

Minutes

1. Present: Dee Hyatt (DH), Jane Willis (JW), Jan Ullmer (JU), Pam Knott (PK), Pat Ferris (PF), Judy Cecil (JC).
Apologies: Cedric Calmeyer.
2. Minutes of previous meeting 9th July 2020 agreed
3. Looking at other Neighbourhood Development Plans for inspiration. DH, JW, JU and JC had met to consider the environment policy and how to progress the Sandon NDP using inspiration from several other NDPs. It was suggested and agreed that we base the format of Sandon NDP on other approved NDPs, adapting the Sandon content we have already gathered.
Some thought that another questionnaire is needed with questions targeted to research further evidence for policies.
4. AOB – the environment policy needs much more detail - DH has ideas.
5. Date of next meeting: Tues 8 Sept 2020 5pm via zoom
