

Appendix F Road safety, traffic, footpaths and cycle tracks

1. Concerns have been raised about dangers at some road junctions in Sandon
 - a. Mayes Lane/Woodhill Road/Hulls Lane, see Map 18
 - b. East Hanningfield Road/Southend Road, see map 20
 - c. East Hanningfield Road/Gibcracks Chase, see map 20

Crash Map data for the 3 junctions are shown in maps 19, 21

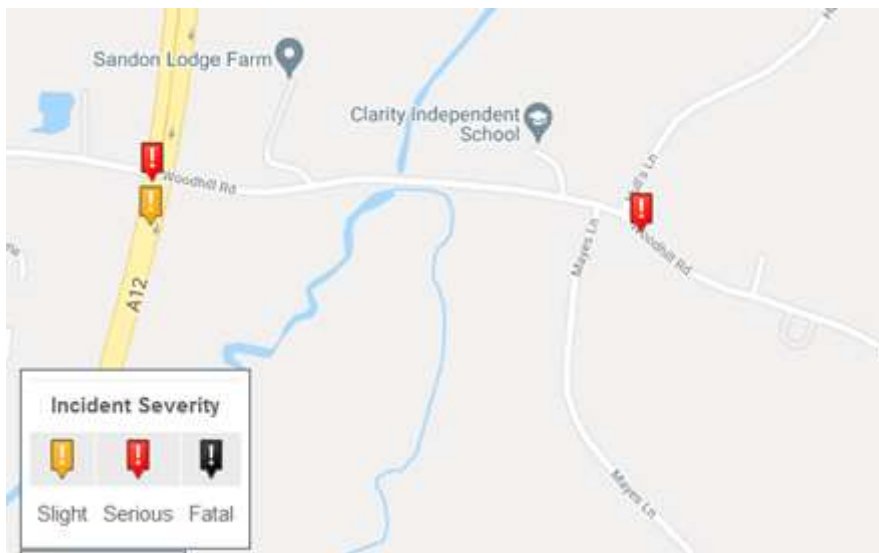

2. Concerns have been raised about the dangers for pedestrians and cyclists accessing the Park and Ride from Sandon Village. A footpath and cycle track from the Brick Kiln Road/A414 junction to the Park and Ride is to be provided with the new housing development at 3c in the Chelmsford Local Plan. A footpath/cycle track is proposed from the village, adjacent to Brick Kiln Road to connect to this footpath/cycle track. See Map 11.
3. There are concerns about the speed of traffic through Sandon Village along Woodhill Road as it is used as a 'rat-run' to avoid congestion on the A414 and as access for Sandon school on the Woodhill Road/Molrams Lane junction.
4. It is an aspiration that Sandon Parish Council will look into possible measures to ameliorate dangers at the 3 junctions, in negotiation with the highways department at Chelmsford City Council.
5. It is an aspiration that Sandon Parish Council will negotiate with landowner and CCC highways to provide a footpath/cycle track on the proposed route in Map 11, adjacent to Brick Kiln Road from Sandon Village (Woodhill Road/Brick Kiln Road junction) to the A414.
6. It is an aspiration that Sandon Parish Council in negotiation with CCC highways will look into measures to ameliorate the danger from speeding traffic coming through Sandon Village.
